FOREST & BARN WEDDINGS

# WELCOME TO DE UIJLENES

*Nature is my Church. Love is my Religion...*

Thanks for booking your accommodation with us for the wedding you are attending here at De Uijlenes in the Old Barn & Forest venue.

Here are a few pointers for you to make your stay here with us super chilled and enjoyable; whether you are coming for the entire weekend or just for the night of the wedding:

- There is no need to check in at the office. You can arrive at anytime, your room will be unlocked and your name will be on your door so you can just go straight to your room and chillax.
- You will find us on google maps for directions and GPS coordinates. Just put De Uijlenes in the search bar.
- There is very little to no cell reception at De Uijlenes. If you need to get hold of someone you are welcome to use our landline or wifi at the office.
- There is a small communal kitchenette for the guests to use and we have braai facilities available - just remember to bring blitz and a lighter.
- There is a iron & ironing board in the kitchen if your mum forgot to iron your shirt.
- You can swim in the dams here during the warmer months [or winter if you are brave!] so rock your swim suit and bring lilos. There are fish in the dams too [Carp & Bass], so bring your rod as well.
- There are plenty of open grass areas for a game of cricket, touch rugby, or frisbee.
- All rooms have bedding, an extra blanket in the colder months and towels provided for.
- We are on a farm, so please bring insect repellent during summer for when you are sitting outside around the fire.

We look forward to seeing you and hope you enjoy your stay...
