DE UIJLENES

ELITE THREE-DAY PACKAGE

ALL-INCLUSIVE CELEBRATION

NIGHTJAR VENUE
20 - 100 PAX CAPACITY

Think of your wedding not as one day that flies by in a blur, but as a full-blown celebration with the people you love most.

That's what the Elite Package at De Uijlenes is all about: three magical days, two cosy nights, and endless memories.

When you book the Elite Package, you're not just booking a venue—you're unlocking a whole weekend designed around joy, connection, and time well spent.

Here's what's included in your weekend:

- Exclusive use of your venue – Choose between the Old Barn & Forest (30–200 guests) or the more intimate Nightjar (20–100 guests). Both come with all the rustic-luxury vibes you're dreaming of.
- Accommodation – We've got your crew covered: 58 guests at Old Barn & Forest, or 48 at Nightjar, with extra beds waiting in the Nonnetjie Uil House (sleeps 40). Plus, each venue has its own dreamy bridal suite, so you've got a private retreat for just the two of you. All accommodation is exclusively reserved for your guests for the weekend, giving you complete privacy.
- The essentials (and then some) – Tables, chairs, cutlery, crockery, glassware, outdoor furniture, waitstaff, bar staff, and even your own dedicated wedding coordinator who'll be by your side from start to finish.

- Catering that feels like you – Our rockstar Head Chef, Cole Lubbe, and his team will design a menu that fits your style. Whether you want canapés and bubbly, a lavish harvest table, street-food-inspired bites, or a sit-down fine-dining feast—it's all possible.
- The bar Sorted – Choose a cash bar or run a tab. We provide the staff, glassware, ice, and setup. Order your wine and MCC directly through us, or bring your own (with corkage). Easy.

Why Three Days?

Because life's best moments should never feel rushed. A weekend wedding means:

- Plenty of time to set up and soak it all in.
- Space to actually be with your family and friends.
- Zero after-hours fees or stressful timelines.
- A celebration that flows, instead of crams.

From Friday's welcome drinks to Sunday's last hugs, the venue, the views, and our full attention are yours. We take care of everything so you can truly slow down, celebrate, and connect. Your Elite Package also includes three nights in your bridal suite — Friday, Saturday, and Sunday night. That extra night is intentional: a quiet space just for the two of you to slow down, relive the magic, and settle into your first moments as a married couple without the rush of packing up or saying goodbye too soon.

The Heart of De Uijlenes

We don't host weddings for Instagram likes - we host them because we believe in the magic of beginnings. For us, every wedding is an honour, and the start of something even greater.

- 10% deposit secures your date.
- Spread the balance into monthly part-payments (up to 10 months), or go the simple route with two 50% part-payments.
- Final payment is due two weeks before your big day.
